

# MEDICAL ORDERS FOR SCOPE OF TREATMENT

## **New Mexico MOST Form**

In order to maintain continuity throughout New Mexico, please follow these instructions:

> Copy or print NMMOST form on "Wausau Astrobright Terra Green" 65 lb. card stock.

Wausau Astrobright Terra Green 65 lb. card stock is available online and at some office supply stores.

Terra Green card stock is used to distinguish the form from other forms in the patient's record; however, the form will be honored on any color paper. Faxed copies and photocopies are also valid NMMOST forms.

New Mexico Medical Orders			Last Name/First/Middle Initial			
For Scope of Treatment (MOST)		Address				
	•	· · · · · ·				
<u>First</u> follow these orders, <u>then</u> contact the physician, APN, or PA. These medical orders are based on the person's <b>current</b>			City/State/Zip			
medical condition and preferences. Any section not completed does not invalidate the form.		Date of Birth (mm/dd/yyyy)				
	Mexico MOST is an advance healthcare directi conflict between this directive and an earlier d	lirective, the most currer	nt choices made by the patient o	or the Healthcare	e Decision Maker shall control.	
A Check	EMERGENCY RESPONSE SECTION: Person has no pulse or is not breathing.					
One	☐ Attempt Resuscitation/CPR ☐ Do Not Attempt Resuscitation/DNR					
	When not in Cardiopulmonary arres	st, follow orders in I	B, C and D.			
В	MEDICAL INTERVEN	TIONS: Patio	ent has a pulse			
<b>Check</b> One	Comfort Measures: Do not transfer to hospital unless comfort needs cannot be met in current location.  Use medication by any route, positioning, wound care and other measures to relieve pain and suffering. Use oxygen, suction and manual treatment of airway obstruction as needed for comfort.					
	Limited Additional Interventions: May include care as described above. Use medical treatment, IV and cardiac monitor as indicated. Do not use intubation, advanced airway interventions, or mechanical ventilation. Transfer to hospital if indicated. Avoid Intensive Care.

### DESIGNATION OF HEALTHCARE DECISION MAKER

(This designation can be completed only by a patient with decisional capacity)

The Designation of Healthcare Decision Maker is an advance healthcare directive and must be honored in accordance with state law (NMSA 1978§24-7A-1 et seq.) If there is a conflict between this directive and an earlier directive, the most current choice(s) made by the patient shall control.

If the time comes when I lack capacity and there are medical decisions that need to be made individual instructions as set forth in this MOST, I designate the following individual as my decisions for me:	~			
Name:				
Address:				
Telephone Number: (if available)				
If my agent listed above is not willing, able or available to make healthcare decisions for me, I designate the following individual as my alternate agent for the purposes of making healthcare decisions for me:				
Name:				
Address:				
Telephone Number:				
Signature of Patient:	Date:			
SEND FORM WITH PERSON WHENEVER TRANSFERRED OR DISCHARGED				

#### **Directions for Healthcare Professional**

#### **Completing MOST**

- Must be completed by healthcare professional based on patient preferences and medical indications.
- Choice of Medical Intervention and Cardiopulmonary Resuscitation status must be clinically aligned: Example: "Comfort Care" and "Attempt Resuscitation" are contradictory choices.
- MOST must be signed by a physician and the patient/decision maker to be valid. Verbal orders are acceptable with follow-up signature by the physician in accordance with facility/community policy.
- Use of the original form is strongly encouraged. Photocopies and faxes of signed MOST forms are legal and valid.

#### **Using MOST**

A person with capacity, or the Healthcare Decision Maker of a person without capacity, can request alternative treatment.

#### **Reviewing MOST**

It is recommended that the MOST be reviewed periodically. Review is recommended when

- The person is transferred from one care setting or care level to another, or
- There is a substantial change in the person's health status, or
- The person's treatment preferences change.
